REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and the Citizens of Corinth:

I present herewith the annual report for the public schools of Corinth for the thirty-six week period ending 1 February 1958.

INSTRUCTION

No changes were made in the teaching staff this year and you have been very fortunate to retain such a cooperative and effective group. This has been a year of very little or no friction and this atmosphere certainly lends to the teaching learning situation situation that is needed for good education.

ENROLLMENT STATISTICS

<i>Teacher</i>	<i>Grade</i>	<i>Enrollment</i>
Verna Pierce	1	24
Mildred Reeves	2	23
Flora Duran	3	27
Alice Whitney	4	30
Ada McCard (Principal)	5	32
Doris Campbell	6	25
Lilla Eaton	7	15
Dorothy Marsh	8	25
Total		201

Due to the large graduating class last year your enrollment dropped from the 220 of a year ago but should go up some next fall.

SCHOOL LUNCH PROGRAM

This program has been a real addition to your school. You are very fortunate to have such capable and interested people in the lunchroom. A well prepared and nutritious hot meal during their growing years is a must for most of our youngsters.

SECONDARY EDUCATION

Your enrollment at the Academy is up to 92 and should increase up to over 100 next year. An increase in the total amount of tuition is warranted. The new Sinclair Law puts your secondary education program in a new light and a citizens committee is studying this now. Any decisions on this matter will have to be made by the people of the town using all information that can be gathered.

BUDGET

While you have a surprisingly good balance in your school account it should be remembered that the state school subsidy was a fixed amount allotted by the special session of the Legislature for this year and next. 1959's state subsidy will be based on a foundation program expenditure and for that reason it would be unwise to cut your appropriation for this year.

CONCLUSION

Education has been under the scrutiny of more people in the last few months than in any of my previous 25 years in the field. This close look is bound to make some improvements. Our way of life and our nation's security is the stake.

Only so long as all of the people take an interest and work for them can our schools do the job required of them. Your school has met this challenge for the past year in a very creditable manner. Your continued interest and help is needed during this period of uncertainty.

For the teachers, the school committee, and myself, I wish to express sincere appreciation for the support you have given during the past year.

Respectfully submitted,

CARL W. GREEN

REPORT OF TOWN FIRE WARDEN

To the Citizens of Corinth:

The past year has been an especially difficult one because of woods fires more than once starting after work hours of the persons in charge, with no one left on watch.

One hundred thirty-three permits were issued from March to November and duplicates sent to the Forest Commissioner. All permits are issued in the faith that each recipient, whether individual or group, use their best judgment as to weather conditions, which often change suddenly; that no fires will be started without adequate help and proper equipment; and that no fire shall be left until extinguished.

Upon notice from the Lookout Tower on High-cut, of smoke, investigation has been made many times and reports sent back to the watchman.

The town dump has been supervised.

All fire warden meetings have been attended.

Respectfully submitted,

WALTER L. SAWYER
Town Fire Warden

Annual Report for Corinth
Division of
PUBLIC HEALTH NURSING
DEPARTMENT OF HEALTH AND WELFARE
January 1 to December 31, 1957

A generalized Public Health Nursing Program has, as in previous years, been carried on in your town. Each taxpayer of your community, directly or indirectly, bears the cost of this service and should be interested in a sound health program for this town.

We continually strive to promote the best health and welfare in each individual. Hence, home visits have been made to prenatal, postnatal, infants, preschool, and school children this year.

This year, due to increased attendance it was necessary to hold six Child Health Conferences. These were held in the spring and fall months. Children were given at least one complete physical examination in addition to the immunizations for whooping cough, diphtheria, tetanus, small-pox, and polio.

In the school program 256 students were given either first, second, or third inoculations for polio. Conferences have been held with school personnel in the interest of this program.

Children in your town have profited by the Crippled Children, Cardiac, Hard of Hearing, and Pediatric Clinics sponsored by the Maternal and Child Health Division of the State Health and Welfare Department. Referrals are made by the family physicians for these services.

In the Tuberculosis Program chest x-rays have been made available to those needing this service.

HEALTH COUNCIL REPORT

A Health Council was organized in this community in February for the purpose of developing and maintaining a well rounded health program for each citizen.

During this organizational meeting officers were elected, by-laws were made and accepted, and committees for the preschool, school, and polio programs were formed.

Two regular meetings have been held since the organizational meeting.

The Child Health Conference committee assisted the public health nurse with arrangements and during the six conferences held this year.

The School Health committee has assisted Dr. Walker in making a survey of the health needs in the school and of the individual children. Physical examinations have been started in school by Dr. Walker and a member of this committee has assisted with these examinations.

The Polio committee assisted in the adult and school polio clinics.

Several members attended the Five County Health Council Field Day held at Northeast Harbor in June.

This has been a busy year and shows the many accomplishments that can be made through group planning and

participation.

Respectfully submitted,
MARJORIE SMITH, *Chairman*

It has been of great value to your public health nurse to have a Health Council assist her in the Health Program this past year. My sincere thanks to those who have given their services.

FIRE CHIEF'S REPORT

February—Quimby—Burned flat. There was no one at home at the time. The house is located a short distance across the road from the Paul Stearns place on Union Street.

March—Preston Lougee—Chimney fire—No damage. (Exeter)

March—Houston place—Chimney fire—No damage (Beach Grove)

March—L. Gray (Exeter)—Place caught on fire but was able to put it out. Kitchen and porch were completely gutted and the fire spread upstairs. We strung hose from a nearby water hole. Corinna also had two trucks there.

March—Wilcox place—Grass fire—No damage.

March—Joseph Elliott—Grass fire—No damage.

March—Ann's Lunch—Burning leaves too close to the buildings. Burned a blanket hanging on the clothes line and burned some paint off the shingles on the barn.

March—Thomas Greatorex—Grass fire—but no damage.

April—Dwight Lambert—Grass fire—No damage.

April—Clyde Pierce—John Sullivan's place burned flat. The wind was blowing quite strong and set fire to Clyde's main house and another small house across the road. We had both pieces of equipment there and were able to keep it under control.

April—Forrest Smith (Charleston)—Chimney fire—Fire broke out around the chimney and caused considerable damage. Charleston fire dept. were there when we arrived and had it under control.

April—Line Crew—The line crew left some small piles of brush burning when they left work and the fire spread to the side of the road—no damage was caused.

April—Gordon Tracy—Sparks from the chimney set the roof on fire—not much damage. Harvard and Kenneth Tate noticed it when they were on their way home.

May—Ivan Willett—Grass fire—No damage. Ivan had been burning rubbish a couple of days before that and thought it was all out, but it couldn't have been. The wind picked it up and it spread in the grass.

May—Woods fire in Levant—(next to Earl Hichborn) It took 2 hours to put it out.

May—Leland Campbell (Russell Smith place) Chimney fire—No damage.

May—Gordon Page—(Willey house)—Chimney fire—No damage.

June—Ernest Wing—(Herb Andrews) Burned beyond control. Was burned flat when we arrived. We did slow it down a little and were able to get a few things out. Pumped water from the truck and well.

June—Academy—Had been burning old papers and books all day. The fire started up again that night. There was no damage.

July—Burnett Grants—Chicken house burned flat. Was able to keep it from spreading to the house. Used both trucks and strung hose from nearby water holes.

July—David Pierce—(Hudson place). Burned flat except the Slaughter House. The house and barn were beyond

saving when we arrived so we turned our attention to the slaughter house. He hauled water from Bear brook and Pushaw pond.

July—Town Dump—Caught on fire—No damage.

August—Harvard Tate—Barn burned and part of the shed. Some damage was caused to the house (mostly smoke.) It was a hot fire and had to haul a lot of water. A good job by the firemen and the neighbors was greatly appreciated.

October—Roland Hobbs—Chimney fire—No damage.

October—Kenneth Davis—(West Corinth)—Chimney fire—No damage.

November—Everett Waite—Chimney fire—No damage.

November—Oscar Tate—Chimney fire—No damage.

December—Freddie Burgess. Rubbish barrels caught on fire in the garage. Slight damage was done to wall of garage.

January 1958—Harold Douglas—(West Corinth) Chimney fire—No damage. Had to make our own clean-out.

January—Bud Craig—Chimney fire—No damage.

January—Edith Strout—Her boy was trying to start his car which was parked in the barn. It started a fire in the hay. They were able to smother it with a nearby blanket. Fire was out when we arrived.

February—Waneta Corson—Chimney fire—No damage.

February—Bert Duran—Chimney fire—No damage.

ATKINS MEMORIAL LIBRARY

To the citizens of the town of Corinth:

The 1957 annual report of the Atkins Memorial Library is herewith submitted.

The growth of volumes is slow due to the yearly discard of outworn books and the loss of books not returned. The circulation remains about as of last year. Reading material at the elementary level is of the greatest demand. These children are the largest percentage of borrowers, therefore books are made available for them.

96 books were repaired during the past year. Mrs. Theodore Smith has very kindly assisted in work as well as in other projects.

The library was thoroughly cleaned in the late Fall. The ceiling has been insulated and weather stripping at the doors has added much to the comfort of the building.

The need of more shelving will be a project for the next year.

I would recommend the town raise and appropriate the sum of not less than \$300. for the free use of the books in the Atkins Memorial Library.

Respectfully submitted,

GERDA R. PERKINS

AUDITOR'S REPORT

July 2, 1957

Board of Selectmen
Corinth, Maine
Gentlemen:

In accordance with Chapter 91, Section 142 of the Revised Statutes of 1954, the financial records of the Town of Corinth have been audited for the fiscal year ended February 15, 1957.

The examination was made in conformity with generally accepted auditing standards, and included all procedures considered necessary in the circumstances.

Insofar as could be determined within the scope of the examination, the financial transactions of the Town were appropriately handled, with such exceptions as may be noted in the accompanying comments.

The accompanying exhibits and schedules present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

L. C. NEAL
Public Accountant

Town of Corinth

February 15, 1956 to February 15, 1957

An audit of the financial records maintained by the

various officers of the Town of Corinth has been completed for the fiscal year ended February 15, 1957.

ASSETS

The cash balance of \$21,934.14 was proved by reconciliation with statement furnished by the Newport Trust Company and verification of subsequent deposits of cash on hand.

Other assets, including taxes receivable, tax liens, tax acquired property, and accounts receivable were reviewed and balances reconciled with supporting detail.

LIABILITIES

Current liabilities consist of \$2,300.00 due the Ministerial and School Fund and \$13,413.70 net unexpended balances carried forward.

Unappropriated surplus in the amount of \$18,393.28 reflects a substantial increase of \$7,836.23; analysis of change in this account is shown on Exhibit E.

SCOPE OF AUDIT

Treasurer's receipts and warrants were added, and were in agreement with recorded transactions. Deposits of treasurer's cash receipts were compared with bank statements. Checks issued were reviewed to the extent considered necessary.

The 1956 assessment of property and poll taxes, as committed to the collector, was proved, and the uncollected list reconciled with recorded balance by detailed examination. Copies of excise tax receipts were reviewed, and collector's records test checked for accuracy of remittances to treasurer.

Recorded transactions in matured and unmatured tax liens were examined. It is apparent that effort is being made

to settle these delinquent tax accounts. Taxpayers should more fully realize the results of allowing a tax mortgage lien to mature.

Accounts receivable originated from current year transactions.

There were no evident accounts payable. Notes payable and interest were paid in full.

Recorded transactions in withheld employees' funds reflected no liability.

Balances carried forward consists principally of unexpended funds under Education, which were reviewed with the Superintendent of Schools.

Trust fund resources, with exception of the Ministerial and School Fund, are held by agencies other than the town treasurer; a separate report of such funds, as audited, will be submitted to the Trustees and Town Officials.

We did not make a detailed audit; however, all accounts were analyzed and test checked to the extent considered necessary.

It is believed that the accompanying exhibits and schedules fairly present the financial condition of the Town as of February 15, 1957, and the results of its operations for the year then ended.

Selectmen of Corinth

Above recommendations are not necessarily those of the Selectmen, but of people interested in that certain article.

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.
